

St. James Central District Emergency Organisation

Presents

**Tsunami Ready
Seminar
For the west coast**

**MAY 30
2024**

BB\$125.00

At the

Tamarind Hotel

Paynes Bay

St. James

on

Thursday

May 30, 2024

from

9.30 a.m. to 12.30 p.m.

Objectives/Benefit:

To share pertinent information, training and educational interactive sessions designed to help increase your knowledge of those hazards likely to impact the West Coast. Discuss ideas on how to increase your response and resilience to these hazards

Target audience:

Managers, supervisors in the hotel and restaurant sectors, managers of real estate and large property owners, other private and business sector entities along Porters to Batts Rock.

Presenter:

Selwyn Brooks - Consultant - Department of Emergency Management and former Chairman of the St. James Central DEO.

Registration Fee: Bds\$125.00 (Coffee/juice break inclusive).

Topics include:

- Knowledge of the tsunami hazard and the risks to the West Coast.
- Preparing businesses for this type of hazard
- How actionable warnings will be activated and deployed.
- Establishing a communication strategy
- Designating emergency response teams with specific roles and responsibilities
